

# Sculptor Event Tour

*Only artists are able to give shape to ideas with their hands.  
They transform their inspiration into reality, and this is how the story of a Lladro sculpture begins.*

Experience how a Lladro piece is modeled until its final form through the hands of José Santaaulalia, an expert sculptor from The City of Porcelain in Valencia, Spain, where all the Lladro pieces are created.

These events will be the worldwide unveiling for Santaaulalia's latest creation, the spectacular limited edition sculpture *Santa, I've been good!* Don't miss this unique opportunity to learn about Lladro's artistry and craftsmanship, and meet the sculptor behind adorable porcelain creations such as *An elegant touch*, *A flower's whisper* or *Flowers to mommy*.

As a gift with any Lladro purchase, you will receive a beautiful Lladro porcelain ornament.
